“ I'm so glad I was able to hold her hand and talk to her, and sing "Let Me Call You Sweetheart" and "You Are My Sunshine" to her. I know my dad loved her very much, and was so excited to see her again. Elwood, Mothballs (Mabel), Grandpa George, her sister Dorothy, her sister-in-law Dorothy, and her nieces Marlen and Gayle were all there to welcome her when she arrived in Heaven. We'll all see her again soon.

“ This is a great tragedy for the family. Someone precious has left us and we will always feel her loss. She was a devoted Mother, Wife, Daughter, and Friend. Few in this world could hold a candle to her goodness, kindness, and understanding ways.

“ Our family wants you to know how much we loved Betty and how much we appreciate all the kindnesses she showed us. Though we have only known her for a short time she became a special part of our family. We will treasure the phone calls we shared and the memories she recalled for our family history. She was always so upbeat and happy for the times she shared with her loving family. She would tell us of being loved and cared for by Sandi and Steven and how much she enjoyed visits with Sara, Elaine, Susan, Jimmy, and your families. We hope your many happy memories of your mother will help you through this time. Your family is in our prayers. With love, The Reilly's
