“ *Dear Becky, Rhonda and Family-I,m sorry this is late but, I still wanted you to know that it saddens me to hear of your dear mother passing. A glorious thought came to me,when I heard, that what a reunion that was when she saw her Savior first of all and then her husband and the rest of her family and friends who went on before her. I pray all your beautiful and happy memories will ease the sorrow you feel, My thoughts and prayers are with you, asking God to bring you comfort and peace.*

“ Dear Becky, Rhonda and Family. I am sorry to learn of the passing of your mom. Betty Jean and I had become closer in our older years, and I always tried to visit with her when I was able to get back to FL. I am living in GA. and had not been able to get down her way since Aunt Vesta passed. In fact she graciously allowed me to stay with her during that time. I will miss our little visits but know she is so much happier now being with the Lord and back with Joe. May God bless you all and give you peace with our loss.
