“ *Gram - Though I am sad to see you go, I am so grateful to have had you so long in life. You and Bobbop were a great influence to me and my family, without either of you my family's walk with the Lord may have not been so great. We will keep those values always first in life. Sean and I vow to be great Gram's and Bobbop's one day, just like the two of you! I miss you and Bobbop so much, but find solace in knowing you are definitely going to be together in Heaven for eternity. With Love Today, Tomorrow, and for Eternity. -Love Punkin/Penny (Kathey (Hall) Wooten)*

“ Ms. Betty has fulfilled her mission here on earth, and as such is now enjoying her rewards in Heaven with her Lord. Our thoughts and prayers go out to her families. May you in your grief take time to rejoice in her life here on earth and the love she expanded to her family, her friends, and her neighbors. We were one of those neighbors, and we rejoice that we got to know her. She was indeed a loving, gracious person, who even though enjoyed her privacy, she became friends with her neighbors (she really enjoyed our grandson Brandon), and extended her caring and friendship in many different ways. She was a stable in our community, and she will surely be missed and remembered. " May the Lord keep you and Bless you. May He extend His hand upon You and give you peace" Amen.
