“ *My memory of Betty and Melvin were from Brewster. My mom and Dad, Geneva Joiner Gray and J W Gray lived in Brewster when they did. I was small but I knew her love just like the video expressed. I always asked about her at reunions I was able to attend. Melvin and my brother, Wayne took my husband fishing. Melvin took them on the lake in a nice boat, stopped the boat and told everyone to get out of the boat to fish. I believe Betty and Melvin had a fish fry. They both were such loving cousins. May you feel God's comforting arms around you. I would be there if I didn't live in North Carolina.*

“ *I remember meeting Mrs. Tyson many years ago from association with Clayton and Keith and she reminded me of my own mother. Both Keith and Clayton are good people and a good example of the type of mother she was. Thinking of all of you during this difficult time.*
