“ I got to know Betty a little when we both had broken wrists at the same time. We went to same doctor and our surgery was on the same day. I would see her from time to time for follow up appointments. We were able to commiserate together! My thoughts and prayers are with the family during this time of loss.

“ To the Wallace Family.,
Our thoughts and prayers go out to all of the Wallace Family. Betty was a great woman and a great neighbor to my Granny Bliss and Grandpa Bliss. They were neighbors for a long time. I have sent a plant for the service for Monday.
We will miss Betty.
