“ Dear Family, Our hearts are so heavy. I am still feeling the pain of hearing the news of our precious friend Bev. It will undoubtedly take a long while for us to truly believe that our long-time beloved friend is gone. Death came so quickly and it was so unexpected. Our hearts ache very deeply.. However our heartaches don't even come close to those of you thatt were so blessed with the gift of having her as your mother or grandmother. Her love and pride for her family was the most important part of her life. She wouldn't want you to mourn her too long because she loved and enjoyed each day of he life and she wants that for each one of you too. Please accept our condolences for this beloved friend of ours. It is with great sadness that we are not able to attend the Friday service. Trust me, we will be there in our hearts and we believe she will feel our love presence. Such a beautiful good woman, mother, grandmother, loyal and faithful friend to so many of us. We were blessed to call her "friend". She will remain in our hearts forever. Again, please know how sad we are for each one in her family that is enduring this shocking loss. We love you so much Beverly Bowers. May you rest in peace eternally. And, we'll meet again one day soon. With our love we say farewell to a dear and precious friend. David and Ruth Berlien

“ *Bev was my angel from heaven sent to me by God. She was my dearest friend from the first week I moved into the mobile home park to spend my winter months three years ago. I will always remember the nice times we spent together and all the assistance she gave me. Bev will forever be in my prayers. I will miss her and pray that we see one another in heaven. All my love and condolences to the whole family, Joan*

“ Beverly was like a sister to me. She took care of me when I had the cast on my leg and she came daily to check on me Every afternoon about 1:30/2:00 there would be that knock on the door and she would come in and we would chat for only a about a minute, but she was here. I miss that daily knock and visit. We would confide in each other a lot Thank you Beverly for everlything. I miss you and love you dearly. Brenda

“ Uncle Ray, Tim and Mark, I was so very sorry to hear that Aunt Bev had passed this week. She was a precious person and I'm thankful to have many fond memories of her. Meeting her and spending time with your family in Battle Creek was as distinctively special and memorable as her voice. You have my deepest sympathies and love.

“ Uncle Ray, Mark and Tim, I just heard of the passing of Aunt Bev. My heart aches for you all, your spouses and children. I have many fond memories of Aunt Bev. Many Merry Christmasses at your house with those great boxes of Cereal, Tang and Pop Tarts...a tradition I still share to this day with my kids. I remember learning to swim at your house. I remember her voice and welcoming hugs. May the memories that you all have get you through the tough times. God Bless Dawn (Kemery) Burns

“ Dear Ray, Mark, Timothy, and family, November 21, 2013 We are deeply saddened to hear of Bev's passing and sharing in the loss of your beloved. May you find comfort in knowing she is with our loving LORD, and one sweet day you will be with her again. Until then, may you find comfort in your precious treasured memories of her and in God's Holy Word. Precious in the sight of the LORD, is the death of His saints. Psalms 116:15 That you sorrow not as those who have no hope. 1Thessalonians 4:13, To be absent from the body is to be present with the LORD. 2Corinthians 5:8 The memorial service today was lovely and touching, with many dear friends from the CutRate family sharing memories of Bev and how much we are going to miss her. We will remember both Bev and Ray, as we were invited many occasions to your home. Harlan worked at the Federal Center with Ray, so I knew Bev before I worked at CutRate. Bev was a giving, loyal worker and wonderful friend to many. I share in your loss also because we too have lost three family members in five years. Our first born, son, Brett in 2008, had a successful heart transplant in 2002, but had a heart attack at the age of 40. My mother in 2011, and my brother Jack this Memorial Day, due to lung cancer and no one ever expected, other than a spring cough. So I'm a caregiver to my father who lives in CA, along with assistance from 2 caregivers for 24/7 care, and I call all of them, and take care of Dad's personal finance, all long distance from MI, as well as flights home, usually 3 per year. Mark, if you read this, and if you'd like, please feel free to use my email address above to say hello. Again, our deepest sympathies to all of you. Sincerely, Harlan & JaniceLynn Jones
