“ Dearest sister Beverly Anne Creech, you were my dearest friend. I will forever miss you until we meet again in Heaven, sis. Now you are dancing on the streets of that city called Glory and singing Praises to God; there are no more tears or pain for you. Until we meet again, I will think of you each and every day. My condolences to Charles and Frances Creech; and to Beverly's life partner Richard Samson. My heart is with you in your time of grief.
