“ Hi, I was wondering if this is the same Beverly Daniels that I once knew. She lived in a trailer park in Orlando for many years and this is where we became freinds. She drove a truck and would stop by a visit with me from time to time. Last time I saw her, she said she was living with her family in a house in Eustis. Please let me know if this is the same person. She lived in orlando about 5 or 6 years ago. My thoughts are with you for your loss. Thanks for your time, Rose
