“ *So sorry for your loss. Bill was a longtime friend from elementary school. Bill could keep you laughing, over and over again. We hung out and did a lot of things together over the years and had many a fun time. Bill and I hunted together, and he even tried to teach me golf once. We shared a lot of butter pecan ice cream together. We lost contact a few times as happens, but Bill was never forgotten, as he won't be now, and in the future. God Bless Bill and his family.*

“ We will be so thankful for a friend like Bill. He always kept us laughing when we would have our Sunday School parties. We loved to hear him and Sandra sing. Midnight Cry . It was our favorite song they sang. Bill was faithful in his service for the Lord and we will see him again one day. Our hearts are broken to lose him but God knew it was time to take him home. Our prayers are with the family. We love yall.
