“ I had the pleasure of playing golf with Bill the last time he played in my Golf League at Eagle Ridge. He was extremely weak and did not play well on the front nine. He had a low of only 7 stbl points. I will never forget what he said to me while waiting to tee off on the 10th hole. He looked at me and made the comment.

"Well Ron I've always got that Double Your Round \$1 Specialty Award to shoot for"

He proceeded to focus and came in with 14 points on the back. He just never quit.

So for that, I am renaming that award to the BILL CAIN AWARD and bumping it up to \$5 for the 5 different times he kicked Cancer's butt.

Rest in peace my friend. We will all miss you... Fairways and Greens!

“ I have very fond memories of my time with Bill on the golf course. I loved hearing his stories of playing in various events while serving his country as a member of the Navy. I'm deeply saddened by his passing.
