“ *If there is anyone that reminds me of my Mom, it's Auntie Billie. Their look, love, countenance...There is a hole in our hearts and our families that can't be filled by anything other than the love and memories we have of her. I have so many fond memories of staying at Billie's in Burlington with Mom. We would have so much fun with Colli, Grace, and all of the babies! I've always bragged about Auntie Billie for walking the walk, not just talking the talk. She is a true Goud Woman. A couple of years ago, before we all had a Thanksgiving dinner at her house, she and all of her children recited their meal prayer (a very long one) and it amazed me how steadfast of a teacher of Goud she was! Her and her children's voices were so beautiful! I'm so thankful that she had you all there surrounding her with love and that I got to call her my Auntie. Goud put her in our lives setting an example of what a true, simple Goud woman is and does. She truly lived a fulfilled life with a husband that loved and respected her and eight smart, talented, and beautiful children. She will forever be in our hearts. Louv.*

“ One could not have asked for a better neighbor than Billie. I will remember getting ready for her many yard sales. She loved working in her yard and having beautiful flowers all the time. She always made some of the best cookies to share with everyone. I know she will be watching over all her children and grandchildren and guiding them all on the right trail.

“ My thoughts are with the entire family and I am sorry for your loss. I have many memories growing up and hanging out with Grace. Her mother was always there watching over us and the rest of her children. I have a feeling she will continue to watch over her loved ones, especially during this difficult time. May she rest in peace.
