“ Billy was in the 1966 class of Gadsden High School. His brother Porter was in my high school class of 1967 as well as elementary school. I was always aware, as many were, of just how kind and gentle they were. I am saddened to hear of their passing. They will remain in my memories for their gentle natures. Many are blessed because of the men they were. I pray that their families are comforted in their loss.

“ Billy was a member of the 1966 graduating class at Gadsden High School. As president of the class I had known Billy. One of the most memorable moments in high school for me was when Billy asked our Queen miss Connie Blanton to be his date for our Senior dance. She accepted and it was one our proudest moments as a class to see Billy with his eternal smile escorting Connie into Convention Hall. I'm sure it was a night he long remembered as did many of us. God rest your soul Billy and may you now be receiving some of the happiness that you gave to the rest of us . This next year will be our 50th reunion and you will be a part of it if only in memory.

“ Just wanted to post a note to Billy's friends and family. I bowled with Billy and Porter here in Leesburg for a couple of summers and found them to be just delightful fellows. I have wondered off and on if they had moved from Leesburg. I think they had lived on Main Street. I am saddened to realize that they are both gone now. My sympathy on your loss.
