“ *To a friend of G&T. Your time come too quick. Seems like just yesterday you went and retired. Enjoyed the 9 years we worked with you. When I wanted something from the saw you made it happen. Your in a much greater place now and with no worries. Jim Francis*

“ *Well Bill I guess you moved on to be with Mike But you left behind a lovely wife that is going to miss you dear and 2 Grandsons. But they say God takes the best of the best I guess it was your turn to move on to his side. Hey you keep on fishing and hunting. Maybe heaven has better fishing holes and hunting grounds than we do. Your Friend R.S. is lost without you, and Chase don't know what to do with you not being in the backyard for him to talk to.*

“ To Mary and family: I learned this morning of Billy's passing and wanted all of you to know how sorry I am about your loss. I worked with Billy at G&T Conveyor - he was one of the nicest gentlemen I had the privilege of working with. Billy never gave me any trouble when I asked him to complete his benefits forms, even though we both knew he wasn't going to elect anything; he would just smile and fill everything out for me. It was sad when he decided to retire, but he said it was time to go. . . My thoughts are with you during this difficult time - and my prayers that you find comfort in God's love.
