“If tomorrow starts without me.” And I'm not there with you and your eyes are all filled with tears: I wish so much you wouldn't cry the way you did today. While thinking of the many things we didn't get to say. I know how much you love me, as much as I love you. And each time that you think of me, I know you'll miss me too; But when tomorrow starts without me, Please try to understand, that an angel came and called my name, and took me by the hand, and said that Jesus said It's time to come home and that my place was ready. And that I'd have to leave behind all those I dearly loved. I thought of all the yesterday, The good ones and the bad, I thought of all that we shared, And all the fun we had. If I could relive yesterday, Just even for a while, I'd say good-bye and kiss you and maybe see you smile. But then I fully realized, That this could never be, For emptiness and memories, would take the place of me. And when I thought of worldly things, I might miss come tomorrow, I thought of you, and when I did, My heart was filled with sorrow. But when I walked through Heaven's Gates, and saw Jesus standing thier with open arms, I felt so much at home. And when God looked down and smiled at me, From His Great Golden Throne, And said "This is eternity. And all I've promised you." Today your life on earth is past, but here life starts anew. So don't worry anymore come and take my hand and share your life with Me. So when tomorrow starts without me, don't think we're far apart just look up towards Heaven and I'll be looking back and know that I am right here, in your heart" I am free from sickness and pain... Russ, we are so saddened our prayers for you and your family we love you.. Psalm 23 and Numbers 6:26-26 Love In Christ, Margart & Brianna Domingos
