“ *Rest in Peace Mr. Boren. I'll miss our conversations. You always gave me praise about what we were able to accomplish but I hope you know it was your patience with me that helped. I'm glad I was able to know you.*

“ *My Condolences for Bobbie and his family. Bobbie was an good, honorable, caring and loving man that loved his wife and family.*

I am going to miss his stories he told of adventures he and Denise shared. They were awesome stories. I hope remembering those adventures bring peace and comfort to Denise.

I feel blessed we became friends not long after I moved across the street from he and Denise. I grew to love and care about them both. I believe it was fate.

I am going to miss our afternoon mint chocolate chip ice cream socials I very much looked forward to every afternoon.

Rest is peace Bobbie. You will be truly missed. I promise I will be there for Denise.
