“ I am so sorry for the passing of Bobby,my condolences to the Sullivan's and Family. I too know well the pain of losing a love one in death. What brings me great comfort is Gods promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."Death will be done away with foever and we will see our love ones again! I hope this brings you as much comfort as it does me.

“ Deepest sympathy from your cousin in NC. Bobby was my Great Uncle. I only met him once at Great-grandpa's funeral in the 80s. The resemblance between my Grandad (Charlie) and all of the brothers is amazing. I enjoy hearing the stories of their childhood and what they accomplished in adulthood. You are in my prayers.

“ Sorry to hear about your Dad's passing. I have good memories of your dad. From our early baseball days on the Citizens Bank Babe Ruth team as kids, to buying azaleas from him after I grew up.

“ I have lived in Leesburg since 1959 and it was an honor in 1988 to be asked to serve on the Board of Citizens National Bank. Bobby Sullivan was the engine that kept the bank running and a very smart man. He was most helpful to me as a rookie director and for the entire time I served. I will always remember him for that.

“ So sorry to hear of the passing of Bobby. I worked with and for him at Citizens National Bank and knew him as a very smart, conscientious and sometimes funny man. May the memories you have of him, carry you through these troubled times. God Bless your families.
