“ *Dear Julie, Jennifer, and Krista - I just found out about your Mom's death, and I am profoundly saddened. Bonnie and I were nearly the same age and our families spent a lot of time together over the decades - at Sid and Pauline's house in Miami, Grandma Clara's in Saint Augustine, Aunt Noie's in Chattanooga, and our places in Lewisburg and Shelbyville. All my life, Bonnie was my favorite cousin. Sadly, we fell out of contact when the COVID pandemic started. Please accept my heartfelt condolences. Sincerely, Cousin Bill.*

“ *I have been looking for Bonnie for several years and am so disappointed that this is where I have found her. We lived next door to each other in Miami and were best friends through High School. I wanted to share memories of that wonderful time on 19th Street in Miami. I met her girls when we visited once some time before her marriage to Cellon. My condolences to the family. “ So saddened to hear of your loss. Bonnie was a dear friend for years even tho we lost touch the last few. She was a sweet lady and so thoughtful. One memory I have of her was when I was selling fruit in Orange Park on the side of Blanding Blvd. the year we had the bad freeze, it was super cold, she stopped to bring me a hot chocolate, and let me sit in her warm car for a while. We visited often while she lived here in O.P. and Middleburg and went to church together many times. She attended my wedding when my late husband Darrell and I married. Still have the beautiful popcorn bowl from her. So glad to have known her. May God bless all the family and comfort you and give you peace. ❤️❤️🙏🙏
