“ *This Lady will truly be missed by so many family & friends. I loved her like my "Udder Mudder". I was so glad to see her move close to Bill & Julie in the last few years & I knew she was well taken care of. She would tell me how he spoiled her with all kinds of stuff, flowers, candy, telephones in ever room, including the bath room, taking her to drs. & anywhere she wanted to go. She would refer to him often as "My Bill". Julie & Caroline also checked on her often, taking her shopping, church or where ever she wanted. I was so happy when Annette & Bill moved in for the last few months. I'm sure it was hard for "My Bill" & Julie to run their business & take care of Mom so it was such a relief to see them arrive. Being a Mr. Fixit like "My Bill" Bill H started fixing little things around the house where "My Bill" left off. She really felt blessed & loved. And of course I know how much she loved her dear Kyle. She looked forward to his visits with Mable for lunch, She also looked forward to invites to his house for some of Donna's good cooking. I did sometimes too. She talked to me often about Kyle & how good he was to her. He was a blessing & she really loved him. I just pray that we will all look forward to seeing Miss Bonnie again in Heaven. We know she is with Luther & my Joe & Mother & all her family & friends that have gone before her. May God continue to bless her family & help them heal. Love, Anna*
