“ *I am so sorry for your loss. Brad was a great man. I went to school with him and only recently did we start talking again. It is hard to believe he is gone. I am praying for all of you as you go through this time. May God give you peace during this time. So Sorry, Marita*

“ *You were a friend when whenever I needed you. You were there for me to talk with these past two years. I have some of the greatest people in my life now because of you. I wish we all could have gone on that fishing date you invited us to. I'm sorry that I didn't get to cook that dinner you teased me about. I will miss you Brad. You are loved by so many people. You will never be forgotten.*
