“ So sorry to read of the tragic loss of your young son.. Words don't always ease the pain when grieving the death of a loved one. I hope you will find comfort in Jesus' promise of the resurrection hope, when he will raise up those who are now sleeping in death, back to life on a restored paradise earth. (John 5:28,29; John 11:11; Revelation 21:4) There is much Bible based comfort to be found on [jw.org](http://jw.org)

My grandson, Adrian, really liked Brad; so much so he saved his phone number, when they played together on the same Tavares Babe Ruth team in 2014. We were the ones with the video camera. May God give you the strength to make it through this. We will pray for you and your family.*
