

## Bradley "Scott" Hensley

September 16, 1955 - November 29, 2025

Scott Hensley went to Heaven on Saturday November 29, 2025 after a hard-fought battle with cancer.

Scott's life was well lived! Born in Ravenna, Ohio, he served in the U.S. Navy for 4 years. He served in Naples, Italy, and Guam. It was in Guam that he learned to scuba dive, which became a lifelong passion. He traveled to many parts of the world for work and diving. His accomplishments in diving were: ice diver, rescue diver, dive master, and instructor. It was this love of diving that brought his wife, Lynn, into his life where they shared many wonderful dive trips. Scott also loved boating, fishing and the NHRA.

Scott was a field technician for decades with Steris Corporation - servicing medical equipment at hospitals in many Florida counties.

His engaging personality brought love and laughter to anyone lucky enough to have known him. He had a quick wit and a beautiful smile. Tall, strong, intelligent, loving, and capable. He was truly a wonderful man and the embodiment of all that is good. His son Josh has exemplified all of these same qualities. More than words can express, Scott will be profoundly missed - until we meet again.

He is survived by his wife, Lynn, his son Joshua, Josh's wife Stephanie and 2

beautiful grandchildren, Harper and Emma, his brother Len and wife Karen, and MANY good friends.

Scott's service will be held on Wednesday December 10th at the National Cemetery in Bushnell, Florida with military honors. Time is promptly at 10:30am. The cemetery does not accept flowers but in lieu of flowers, donations can be made to: Last Ride 34145 Picciola Dr, Fruitland Park, FL 34731. This 501 (c) 3 provides military honors to servicemen.

Arrangements entrusted to Beyers Funeral Home of Leesburg, Florida.

“ *Scott was a great friend. Always upbeat and kind, with a great sense of humor. I have very fond memories of hiking Nelsons Ledges in the winter with him, and scuba diving with him in various locations, including Grand Cayman. And maybe some bar hopping back in the day. He told me right before he left us that he and Bobby Rogers would be sitting at the "big bar in the sky" having a drink and waiting for me. Looking forward to it. RIP dear brother* 🍷🍷

*I remember many evenings sitting outside the shed where Scott, Bob, and Rick would camp out and just laughing and shooting the breeze. Those are some of my favorite teenage memories.*
