

## Braxton Ridgway

October 25, 1994 - October 31, 2024

Braxton Ridgway, 30, passed away on October 31, 2024. Born on October 25, 1994, Braxton was a free spirit who embraced life with humor, love, and authenticity.

He grew up riding dirt bikes, always finding peace and joy in the outdoors. His love for biking eventually led him to a remarkable career building bike tracks across the country and even in China, where he also helped design plans for the tracks—a dream come true for someone with such a passion for the sport.

Braxton recently moved from Oklahoma to Jacksonville, Florida, where he spent his days riding his scooter to the beach, soaking in the sunshine, and continuing his love of being outside and working with his hands.

He is survived by his loving family: parents Stacey Bush and Reed Ridgway, and stepdad Phil Sheaffer, brother Blan and wife Christina, sisters Aubrey, Sami, and Izzy, his three nephews Ryker, Raden and Borden and niece Cree. Braxton loved hard and was engaged to his beloved fiancée Crystian, though it was his dog Rosie who truly held his heart. Rosie was his loyal companion, and they shared countless adventures together.

Braxton will be remembered for his humor, his work ethic, and his unwavering commitment to being 100% his authentic self. He was loved by many and will

be deeply missed by all who knew him.

Visitation to honor Braxton will take place from 1:00 PM to 3:00 PM on November 4, 2024 at Beyers Funeral Home, 1123 W Main St, Leesburg, FL.

A memorial service will take place in Oklahoma and details will be announced by the family in the coming weeks.
