Brenda and Robert were my best friends here in Lady Lake. Robert and Brenda befriended me when I first moved to Lady Lake. We went fishing with the children and I hung out at the gas station for years. Brenda was so friendly and I enjoyed talking to her. I am going to miss her. May Jesus take her up to heaven.

I will always remember Brenda as a passionate, generous person. She worked hard and expected excellence of the world around her and yet she always took time to think about the needs of others. I remember many conversations with her years ago where she shared a need of someone close and we prayed together for the person. She loved deeply. She cared so much about her loved ones and still does! She was also concerned about the condition of this current world and wanted people to stand up and make a difference. She did. Most of all, she loved Jesus. She was grateful for what He had done in her life. She wanted everyone to know it. Brenda, I know you had many things to overcome in this world and now you are with Jesus and standing victorious. My condolences and prayers will be frequent for your friends and family as we all grieve your absence. We know that we will see you again, though and that is our comfort. Love to your family!

I was 14 years old when Brenda was born. We went to church with the family. The Einsteins were a wonderful and caring family. My memory of her is how much she loved her family. It's a trait she learned from her sweet parents. May God comfort you Autumn, Meghan, B.J. and all the family. Thank God for the hope of heaven. Love to all.

Brenda found our fears of a gator in their yard to be funny. I will never forget that and other things she did to make us laugh. Flying high Brenda. Loved you and way of entertaining us. Sure will miss you!

“ *I went to school with BRENDA and we graduated in the same year, 1976. We also attended the same church together at 15th St., Church of God in Leesburg Florida, where her brother Robbie and I played on the church softball team. Even though it has been many many years since I last seen Brenda, I still have great memories of the times we had in high school and at the church teen outings. My condolences to the family.*
