“ Jason, Michael, Renay and family, our love and prayers are with you. I (Melba) have such fond memories of Brenda (Jean)~~she wouldn't like that, but it takes me back to our childhood where we were carefree and enjoyed being children. May God's peace surround you during this sad time and throughout your lives. Love to all. Melba and James

“ It saddens me so much that Brenda and I were not granted the wish of continuing our friendship. We visited on the phone now and then and we did enjoy a nice breakfast at Denny's months ago. It was clear to me that her health was failing but never would I have expected to lose her so suddenly. She was respected greatly by our co-workers and customers at the old Eckerd pharmacy in the mid-90's and I know her passing would be mourned by many. Brenda was a lady and it was so nice to share memories of Plymouth, IN with her and listen to her speak of her love for her family. Please continue to live your lives as Brenda would have expected. She was a shining example of kindness.

“ My heart is just a little more sad this December morning as I just heard of my cousin Brenda's passing. I haven't spoken to her in many years but I remember her beautiful eyes and sweet spirit. My mother Mollie, loved her and so did I. You may never see this post, but your mother was so sweet to my family. Love to you all this Christmas Season. God Bless you all.
