“*Branch family, I am sorry to hear about your loss. Dodie was a special person in my life. We grew up together from Kindergarten to graduating high school. I have so many happy memories with her and those memories are filled with her happiness and laughter. I always called her my "laughter buddy" because when I laughed, she laughed and when she laughed, I laughed. I don't know what it is like to lose a daughter, grand-daughter, sister, wife, cousin, or niece but I know what it is like to lose a friend because that is what Dodie was to everyone. My prayers have been with you and will continue to be.*
