“ Gail, I got a call today from my sister Carol telling me about your son. I also read it on the internet. I am so sorry. I can't even imagine having to lose one of my children. I am praying for you and Steve and your whole family. May God wrap his loving arms around each one of you. I love you and think of you often. I don't know if I have an up to date phone number for you. Call me 1-229-344-1033 is my cell phone. My house phone is 1-229-787-5961. Tell Aunt Ann hi for me and take care of yourself, I heard you had a light stroke also. If I can do anything for you or your family, let me know.

“ Our hearts go out to you in your time of sorrow... What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. You will Always Be Loved & Remembered Brock....
