“*Mary-I just got word tonight. You and I never met, but from what Bruce told us in Hatteras he got it right this time with you. And that Willy's for an engagement present is a classic! There are too many stories about our antics to even start to go into. The statute of limitations is probably up by now. I just wish we knew what he (and the rest of you) was going through. I guess we'll never do that elk hunt we talked about. He'll live on in all our hearts. This is too goddamn sad to go on any more. Please give my love to his Mom, and you hang in there.*
