“ We are heartbroken over the loss of Bruce. We are so very sad and hurt for his family and friends! We will miss the silliness of his and Derek's conversations and actions as well as their friendship. We will forever remember Bruce's beautiful smile and eyes. We will forever cherish the memories, through both our thoughts and pictures we have of his and Derek's time in Afghanistan. Pam, as a mother, I can not imagine the pain you feel so I am not going to say I understand. This is absolutely horrible news and we just can't believe it yet. I love you and will always appreciate the time we spent together as you were a big part of my strength when the boys were gone together! We will be praying that God will give you all that "...strength beyond our understanding..." as He promises in His Word.

“ My thoughts and blessings are with your entire family. I cannot even begin to image the pain of your loss. I am thankful I had the brief opportunity to have seen and talked with Bruce just last week when he came through his father's office. He will truly be missed but always remembered. He was an exceptional young man his parents and family will always be proud of.

“ August 26, 2010 Dear Tim, I would like to express my sincere condolences on the recent passing of your son. Although I didn't know your son that well, on the half dozen or so occasions that I spent time in his company over the years, I did come to realize his great kindness and compassion. And I do know that he was very highly respected throughout this community. As you know, it was not that long ago that my own father passed away, so I have some idea of what you and your family are going through. No comfort is quite enough to replace the loss. Please pass my deepest sympathies on to your wife and the rest of the family. Very sincerely, Craig Herbert

There is a high price and responsibility for freedom. He will not be forgotten. My prayers are with you and your family...especially his children. “ Pam, I have been trying to find words to comfort you but there are none that can take away your pain and loss. I can only be here to support you and pray for you and Tim and the family. I have received many phone calls and people you know in Scouting are sending hugs and prayers your way. I hope knowing that so many people care will comfort you just a little and all have said if you need anything please let me know. Love to you all, Kathy
