“ Bryan was an excellent mentor support person from Western Governors University. We talked many times about school and on a few occasions talked about life's adventures. He will be certainly missed, however I know for certain that one day in the future that I'll see him inside the gates of heaven.

“ Bryan was with me week by week as my mentor. I think I talked to him more than most in these past 2 years. He had a great sense of humor & could turn every conversation into learning moment. My heart goes out to his family & friends. Gone far too soon! I'm forever grateful for his kindness when I needed it the most!

“ I just cant. I cant. You're not supposed to be gone. But The Lord has the ultimate plan and you are flying high. Your faith and friendship is what I will always cherish. We had some great times and I will hold on to those my whole life until The Lord comes calling for me.

Keep a watch over Allie and Bobbie from above. Keep your arms around your mom. We WILL see you again in the Kingdom. Love you bro!

“ My deepest condolences to the family of Bryan. Bryan was my mentor at WGU since June 2020. He was one of my main support systems and encourager. I was so blessed to have him. We spoke of not only my classes and progress, but of world events and the Lord. I know Bryan loved the Lord and we agreed in our last call on 9/17 that the Lords coming is near. I am praying for each of you and that God will comfort you at this time, and show you peace that you will know can only come from our Heavenly Father. My church, Norton Baptist, is also praying for each of you. Bryan touched my life with so much kindness and he will be missed very much. I consider myself so blessed to have had him backing me on my college journey and now I will finish next year as a tribute to him. God bless,
