“ Shawn and Family! I am so sorry for your loss. No words can take away the pain you feel. Just know that even though I did not know your father I felt that I knew him through your post. Shawn since the time we met at Hewlett you always spoke of such high regards for your mother and father. That speaks volumes of how your parents raised you. God bless you. Beth

“ Buck and Barbara Bay are two of the most loving people we have ever met. Louis was not just an employee under Buck's supervision but were close friends. We will miss Buck with many loving and good friend memories. Buck was a fine , honorable person who will be in our hearts. You may be physically gone our friend but never forgotten. A terrible disease has taken you away from us but you will always be with us in spirit. Rest my friend and know we love you and Barb my friend. Forever remembered. Barb we know your heart is broken and wish we could say the words to calm your grief, but there are no words. Louis (Pelo) and Mary Jane Lindsey

“ We are so very sorry for you all! We are Tara's parents and are so appreciative for all that Buck has done for our daughter. Somehow the fact that he was looking out for her when she first got the job, made it easier for us to stand the fact that she was so far away from home for the first time in our lives. Our hearts go out to each of you as you figure out how to go on without him. Hang on to those precious memories and remember how much he was loved and loved in return. Our prayers and sympathy go out to each of you.
