“ Hello Pearson Family, I am thinking of all of you and lift you up in prayers. You were with him for his journey these past few weeks and months and that is good. We can't always be there for the ones we love in their time of need, but you were, and it was surely a great gift to your dad. with love, Beth

“ to Katie and Burt's children and extended family, I am very sorry for your loss. I have known Burt for 15 years. He used to change the locks at my former job anytime we needed him and then I got to know him and Katie at my present job at AAA for the last 11 years. Burt always made a point to ask how my son was doing and that always stuck in my mind. He will be missed and I pray that he is with our Lord right now shining down on us. Peace be with you. Ann G.
