“ Dear Ms. Carson, I am so sorry for your loss. I really enjoyed having him come into the office, as he always liked to kid around and although he wasn't feeling well, he tried to be so upbeat. I will truly miss his sweet smile and his fun disposition. God bless you and know comfort in that his eyes have seen God. Love you.

“ Dear Mrs. Carson and Family, My name is Winter. I am just a neighbor giving my condolences. Even though, it has been just a little over 2 months the often grief is still there. I just have to say do not rush it, research has found and personal experience that doing so stifles the healing process. I hope the whole family greives peacefully each at his own pace. What helps me along with, talking ,writing and crying is reading the Bible, particulary verses that show what God and Jesus told us they will do for us regarding our dead loved ones. These really help: John 5:28-29, Acts 24:15, and Revelation 21:3,4. Again, my condolences. Sincerely, Winter
