“ Barbara, I spent Thursday afternoon with Tracie and she shared with me that Loren was in a coma. Thankfully he didn't suffer. You took such amazing care of him for all these years. I'm thinking you will be lost without him. Be assured of my prayers for you for comfort and strength. Hugs, Elaine

“ *Barbara and family. I am saddened at the news of Uncle Loren's passing. Although we have not communicated as we should these past few years he was always in my thoughts and prayers. It is also the end of an era for Harm and Vada Peters. However, the Peters children are a living testimony to being. Our Love and prayers during this time of sorrow.*
