“ The Harrison family is in my prayers. I'm so sorry for your loss.

Tina, I know you were very close to your father and have many happy memories with him. He must have been a very good father because you turned out to be such a great person! My heart aches for you and you are in my prayers.

“ I am so sorry for your loss and know that I am praying for the family during this time of sadness. When we lose a loved one here on earth, they live on in our hearts as we gain an angel in heaven to watch over us.

“ *Fathers set the standard in a young girl's life, how to be a good person, a good parent and what a good husband looks like. You set the standard high and for that, I am eternally grateful. You are my hero and I will love you forever and miss immensely.*

I love you daddy,
