“ Ed was more like a brother than a brother-in-law to Norm. He was his golf buddy and an feind to listen when he was needed. We will miss him tremdously, but know he is in a better place where he can be the man he was before Parkinson took so much from him. Our thoughts and prayers are with Pat and the rest of his family. Love, Bonnie, Norm, Erica, Jessica & Michael Cooper

“ Dear Patricia and Family, I am sorry for your loss. Please know my thoughts and prayers are with you and yours MISS ME - BUT LET ME GO When I come to the end of the road And the sun has set for me I want no rites in a gloom-filled room. Why cry for a soul set free? Miss me a little--but not too long And not with your head bowed low. Remember the love that we once shared Miss me--but let me go. For this is a journey that we all must take And each must go alone. It's all a part of the Master's plan A step on the road to home. When you are lonely and sick of heart Go to the friends we know And bury your sorrows in doing good deeds. Miss Me - But Let me Go! Author Unknown
