“ Jim and family, Our thoughts and prayers are with you. I know how close you were to both your Mom and Dad and how hard this loss must be. Now they are both out of pain and together again. I remember all of the phone calls you made and how you always let them know what was going on in your life. What a great foundation you got to become the person you are today. We will honor your Dad with a donation to his American Legion Post. Frank and Kay Burke

“ Jim - Please accept our condolences for the loss of your father. You always spoke highly of your dad and from our conversations about him, I know he was a good father to you and your siblings. Our dads were both US Army Air Corps veterans and were part of the 'greatest generation'. I'm sure your dad was a hero to you as my dad was to me. They will be and must be remembered for who they were and what they accomplished. We're pleased to honor your dad with a donation to his American Legion Post. God bless you and your family.
