“ I miss you so much daddy especially today, "Father's Day" but I know you are in a better place and are back to fishing! You are the best father a girl could ever ask for and the unconditional love you gave will never be forgotten. Together we will all get through this. I know that I will see you again and that you are always with me. Sleep with the angels at night and fish with them all day long. I love and miss you!
