“ *Gene was a wonderful, "low maintenance friend". He delivered my mail for many years. We talked together, drank beer together, played softball, even went ice fishing together. . Even my dog liked Gene.*

In 1982 Gene gave me a 1959 Vespa motor scooter that would not run. I fixed it and still ride it today. 38 years.

Rest well my friend.

“ Gene was always kind and offered encouragement during our interactions during softball. He was a true gentleman with a great sense of humor. He was such a big part of the experience, it won't be the same without him at the fields. My deepest condolences to his family and many friends.

“ Gene has been and will continue to be missed at Division 3 Softball. As one of the icons of our league he was one of the first guys that welcomed me to the league some six years ago. He always making sure he waved or said hi as you came to play and of course sharing a beer with you after the game. We will never forget and will raise our glass to honor him as he looks down on us at our games.

“ The entire Softball community mourns the loss of this absolute "Legend" to Division #3 Softball. Early in his Village's Softball career he was the go-to guy to substitute as a Player and Umpire, but he will always be remembered as a Buddy! To myself, Gene was always a dear friend that could be counted on for any and all problems, whether on or off the field. He will never be forgotten! May He Rest In Peace!
