“*Carlene was always smiling and brought a smile to your face when she would greet you. She truly loved me, my husband and my kids and that was clear every time we were around her. She had a way of making you know you were loved. I remember my husband, David and I, taking the youth group to Carlene's house to help with some yard work. She was such an encourager to the youth, but she also didn't cut them any slack when work got "hard". She was a wonderful woman of the Lord and she will certainly be missed.*

“*I will always remember Carlene helping in the nursery at Martin Road Christian Church (when it was the Church of Christ on Martin Road) and how she was able to get my toddler Ross to obey and behave when I couldn't get him to do so. I still have the baby blanket she knitted later for Keith. I cherish the memories of her love and help when I was a young mother. She was a very special lady. We look forward to a heavenly reunion. - Keithia C. Lowe*

“ *Carlene taught me the art of saying "No!" Although I have not mastered this and probably never will, I am getting better. She would tell me "You have come a long way Sis!" Bible Study (G5389) just will not be the same. Her passing has left a hole in my heart. The memories we share are priceless! Thank you Foulke Family for sharing her!!!* ❤️🙏
