“ *Judy and I were privileged to know, respect, and admire Col. Carl Beasley. He was a gallant defender of his country during three wars, yet this man of quiet dignity never trumpeted his exploits. Our thoughts and prayers remain with his family and friends. Rest in Peace.*

“ *Dear Nell and family: I was so sorry to hear Carlos passed away. Have so many fond memories of him and all the kidding that went on between him, Howard and Doc Humes. The good times we had going to dinner and places together. Howard passed away on the 10th of February and I tried to get in touch to let you know. We didn't have a service at Howard's request. He will also be a Bushnell with his old golf buddies Carlos and Doc. My thoughts and prayers are with each and every member of the family. He was a great person. Fondly, Flora*
