“ My deepest sympathy to the family I knew Carol because she was a good friend of my mother Barbara Johnson. They worked together at Rowe and also were good friends outside of work. I'm sure they are again having fun together now.

“ Dear Louis & Family, We're so sorry to hear of Carol passing away. We know her from bunco. We so admired her wonderful attitude. She told us that she had cancer, & she would enjoy life as long as she could. The picture in her obituary is exactly how we remember her, smiling as if nothing was wrong. She was a very inspiring person.
