“ *Dear Diane, How very sorry I am to hear about Carol's passing. Carlton and I really enjoyed your friendship. Remember when you and Carol offered "black gold" at the auction and Susan Nest came out with a little stuffed animal and a sugar scoop pretending to shovel "it" up? It was a riot! I am a 'widow' now, too, Diane. Take good care of yourself and know that you are loved by folks up here,*

“ Diane, I am so sorry for your loss. I have written this note at least 100 times, 100 different ways. I am so shocked ,sadden and most of all still in disbelief . She was one of the funniest people I knew. Her love for animals, amazing. Until we meet again...All our love
