“ To all of the family: My thoughts and prayers are with you during this difficult time. It is never easy to let go but I am sure having been around Carol and her humor, you have many memories to cherish. She was my work "buddy" and I will continue to miss her smile and her humor to help me through the difficult days but I am thankful that she is at peace and no more suffering. My sincere condolences to all of you-- Jo Ann

“ *My sister, my best friend, my inspiration. I will miss you so much. You were taken to soon. I know you are with momma, daddy and the rest of the family having a great reunion. I will cherish the memories of all the things we did together. I am glad you are at peace now, but selfishly wish you were still here. I'll see you again at that great big beach in heaven.
