“ Please accept my deepest sympathy at the passing of Carol. We began school together in Schenectady, NY at age 5 at Franklin School and were classmates throughout our primary and secondary education in Schenectady. Carol was a sweet, kind and non-judgmental person who accepted everyone and never once uttered a negative comment about another human being. She will be missed by all who knew and loved her. R.I.P.

“ Dear Family of Carol, I was saddened to learn of the recent passing of Carol. I last saw her a few years ago when we both lived in Georgia. We attended the same high school and were able to meet for lunch with mutual friends in Georgia. I remember Carol always being so kind and generous who always spoke lovingly about her family in Georgia, and Schenectady. She always enjoyed visiting with her friends and family in Schenectady. May the beautiful memories you have of Carol bring you peace and comfort at this difficult time. With my deepest sympathy, Angel Serio
