Carol J. Rood, aka "CJ", 78, passed away Saturday March 2nd, 2019 at the Cornerstone Hospice home in The Villages FL from complications with cancer. Carol was originally from Cortland and Groton NY where she worked for Cortland County for 10 years. Carol received a business degree from Powelson Business Institute in Syracuse NY. Carol was a true cat lover/rescuer and has had many cats in her lifetime. When Carol was younger back in NY, she also had a love for horses. Carol would respectfully help people in need as well, with her wise and yet compassionate heart. You could ask Carol about almost anything with numbers as she was very good and quick to pull the number out of her head. Character, she could quickly read a person and in one short sentence tell you

what you need to know, short and smart was her response. Carol also enjoyed antique cars and convertibles.

A private interment will take place at a later date in Hillcrest Memorial Gardens, Leesburg FL. In lieu of flowers, memorials may be made to Cat Protection Society, 2700 Getford Rd, Eustis FL 32726 or Marion County Humane Soc., 701 NW 14th Rd, Ocala FL 34475
