“ I remember sitting around Aunt Maureen's kitchen table and having conversations with Carol. We lost touch with each other but in the past couple years we had reconnected via Facebook and shared pictures and stories with each other. I had planned to visit a few years ago when I was in Florida, but the timing didn't work out. I am thankful for the renewed connection we shared over the past few years. May she rest in peace.

“ Carol became my sister in law in 1994. She is Aunt Carol to our children and Godmother to our son. She is my husband's oldest sister and became my sister too and good friend. No words can express the gentle, kind and giving person she was to all. She dedicated her professional life to taking care of others as a registered nurse. She was always there for any of us that needed a sounding board or calm advice. Carol rest in peace with our Lord and your parents and all those who went before, but we will miss you so much. “ So sad to lose someone as special as Carol from our family. Though distance kept us physically apart, I have so many fond memories of our online chats over the years. I always thought of her as such a kind and caring person who made so much effort to keep in touch. My heart goes out to her family, Bob, Chris and Doug. I pray that you will be comforted by God's love and grace for you as you journey through the darkness of such a sad loss.
