“ *Al and Blake, I am so sorry for your loss. I talked to Carole in November and she so loves you all. I can't tell you how much your mom meant to me - I could easily say she saved my life. Quite a lady! May God wrap his arms around you. Love you both, Peggy*

“ *Our deepest condolences to Blake and Albert and your families. May your Mother's spirit and enthusiasm for life sustain you through these difficult days. Though I am Pete's first cousin, I had not seen your parents since I was a child living in Deerfield, VA. Carole and Pete were the beautiful, warm newlyweds the last time I saw them. Over the years I've inquired about them. I learned that they were devoted to their family and steadfast Christians. More recently the news was that both Carole and Pete had faced cancer with great strength and trust in the positive things of life. About ten years ago when on a visit to Tennessee, I was fortunate enough to persuade a sister that I should have one of Carole's prints. I placed "Springtime Jewels" in a beautiful frame and it hangs in our dining room. Her lovely art will continue to inspire my family and friends. Blessings to each of you. If you're ever in the Denver area please look us up. Juanita (Nita) Whitson Fullerton and Rodney Fullerton*

“ Carole, I am sadden by the fact that I will not see you again in this life but will forever hold you in my heart and prayers. You are one of the most loving and corageous persons I have even know and I love you dearly. Both you and Pete were terrific friends and very positive influences on my life. I was just thinking about about you Pete, Al and Blake 2 weeks ago during the snow storm we had in Ocean City. I remember like it was yesterday the storm of 1979 when we were all snowed in on Bayshore Drive and made that into such a wonderful time. I will miss you but remember you always. To Al and Blake and your families you were so lucky to have such a wonderful mother and I know she will always be looking down on you and will forever be there for all of you. I am sorry I can not be there today in person but I am with you in my thoughts and prayers. My love to all.

“ Carole was part of my family at New Life Presbyterian Church. Knowing her and becoming friends added great dimension to my life and I will miss her beautiful smile and her love. I pray God will surround her sons with comfort and peace and help them through this time of sorrow.

“ Dominic and I are devastated about the passing of Carole , I loved her dearly both being Viginians and spending the summer with her in Ocean City and now at The Villages. We cannot express to the family how loved she was. Carole was the most innocent, christian sweet person there was and it was a privledge to have shared the years with her. She will be missed greatly and I know the Lord will say to Carol "Well done good and faithful servant. We are so sorry. Love, Billie and dominic Paravao

“ I first met Carole in Ocean City, MD at a music venue. She told me about the wonderful place she lived, The Villages, in Florida. When we came for our preview visit, Carole and Pete talked to us about The Villages in their beautiful home. She showed me her many art works and talked of her decision to spend more of her time taking life easy and enjoying life. The Villages has had the privilege of sharing her talent and I know she will be greatly missed by her many friends and neighbors. My sincere condolences to her family.

“ Carol is a sister in Christ who colored our world with joy. With her beautiful smile and angels, she made our tea party a treasure beyond our belief. May God bless all her family and give them peace. She talked about Pete so much that I'm sure she is enjoying seeing Heaven through her artist's eyes and walking with him again. Thank you for sharing your mother with us... she was truly a blessing.
