“ Dear Cindy and Cheryl,  
We remember so many good times together, especially enjoying wonderful Christmas dinners at Carole's home with you all. The food was always delicious and we are still cooking with some of the wonderful recipes she shared with us. Every visit to her home was special and fun. Carole would greet us with welcoming hugs and her beautiful smile. We will surely miss the years of love and laughter we shared together. She is at peace now, resting in our Lord's loving embrace. Our hearts ache for the enormity of your loss this past 12 months. We love you girls so very much, Aunt Nancy and Uncle Jack

“ Cindy and Cheryl, We were so grieved to hear of the passing of your Mom. Such a huge loss, during especially difficult times. We will always remember the fun visits to your family home, with Aunt Carole laughing and giggling up a storm. Our Thanksgiving meals are never complete without Aunt Carole's special lime green, star jello salad. Everyone around the table, takes their turn saying, "please pass Aunt Carole's jello". Oh how much she will be missed. You both remain close to us in our prayers and you are loved by your family, more than we can express. God has her now. We are comforted knowing that your Mom and our dear Aunt Carole is comfortable and resting in her Heavenly home with our Lord.
