December 25, 1955 - August 22, 2021

Caroline Ellen Scovack (65) of Lady Lake, FL passed away at her home, surrounded by her family, on August 22, 2021. She was born December 25, 1955 in Shamokin, PA.

Caroline is survived by her daughters, Tania Crocker (Brandyn) of Lady Lake, FL and Rebecca Scovack of Mississippi. She was also blessed with grandchildren, Damien Kinniger (Justice), Skylar Duran, Abriana Anderson, Sabrina Duran and Jaxyn Crocker and great-granddaughter, Everleigh Kinniger. She is also survived by her very good friend, Griffin Dodge, and many more family members and friends. She was preceded in death by her parents, her husband Charles Scovack Sr. and her son Charles Scovack Jr.

Caroline was a professional homemaker; "the best momma in the world!" She loved to cook. Barbecue weekends with family will not soon be forgotten. She also loved to garden and going to the beach. She was a woman of character. "Others" was stamped on her heart. She was so caring and loving to others, giving them preference most of the time. She was a nurturer as well, providing wisdom and a legacy that we hope will live on in others. She also had a wild fun side. She was full of humor and life. She enjoyed life from the quiet of sitting around to screaming off on a four-wheeler. She has left countless memories and will be sorely missed.
