“ Carolyn Conant with her loyalty, dedication and passion for doing the job right, played an an integral part in helping with the survival and growth of Florida Food Products. My brother Tommy, and I, will always be grateful to this type of unique and special person that truly cared about her job. Thanks Carolyn, we'll miss your smile and even your voice that use to echo out KIS 440 over so many counties, scrambling to coordinate fruit trucks and picking crews.
